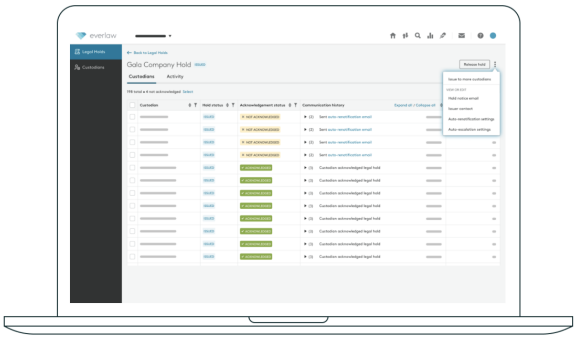
<H2> Tap Into the Full Power of the Everlaw Platform <H2>

The **Everlaw Product Certification Program** lets you operate our best-in-class ediscovery platform at its highest potential. By becoming product certified, you'll have all the knowledge you need at your fingertips to propel your team, company, and career forward.



<H2> Become Your Organization's Go-To Expert <H2>

Invest in your Growth

Maximize your impact and stand out with an Everlaw Product Certification. Whichever track you choose, you'll drive your knowledge—and career—forward.

Build on your expertise

Put the platform (and yourself) to the test. Become proficient at even the most complex tasks.

Scale your organizational impact

Master all the little details to help expedite your team's day-to-day processes.

Raise the bar

Deepen knowledge of key workflows with tailored, role-based learning and industry best practices.

Always stay up to date The Everlaw Product Certification Program provides a framework to continually sharpen your product knowledge with maintenance exams on the latest product developments.	Showcase your Knowledge Once you're done, show off all that hard work! You'll be able to share newly earned credentials with your organization and industry peers.

"Completing the Everlaw certification at an early stage in my journey with the platform helped me form a solid base on which to build my experience and knowledge. It was definitely also a benefit when it came to having confidence in what I could bring to a new team."
— Hannah Meldrum, Edisclosure Project Coordinator, Travers Smith

<H2> Product Certifications Tracks <H2>

We are excited to roll out three beta offerings to existing Everlaw users. Anyone can take advantage of the program, but professionals dedicated to mastering different aspects of the product will really thrive. Our beta Everlaw Product Certification Program is a role-based, modular learning program for you to master the platform in your own time.
