Need Some Help?

It's as simple as 1-2-3

1. Connect to AdRoll

You're sitting on a gold mine of customer data. Sync what you know and we'll fill in the gaps around how shoppers browse, and their interests, shopping history, devices, and more.

2. Execute your marketing

AdRoll helps you bring new shoppers to your online store, respond to their abandoned carts, recommend products, and ultimately get them to buy with display, social, and email ads.
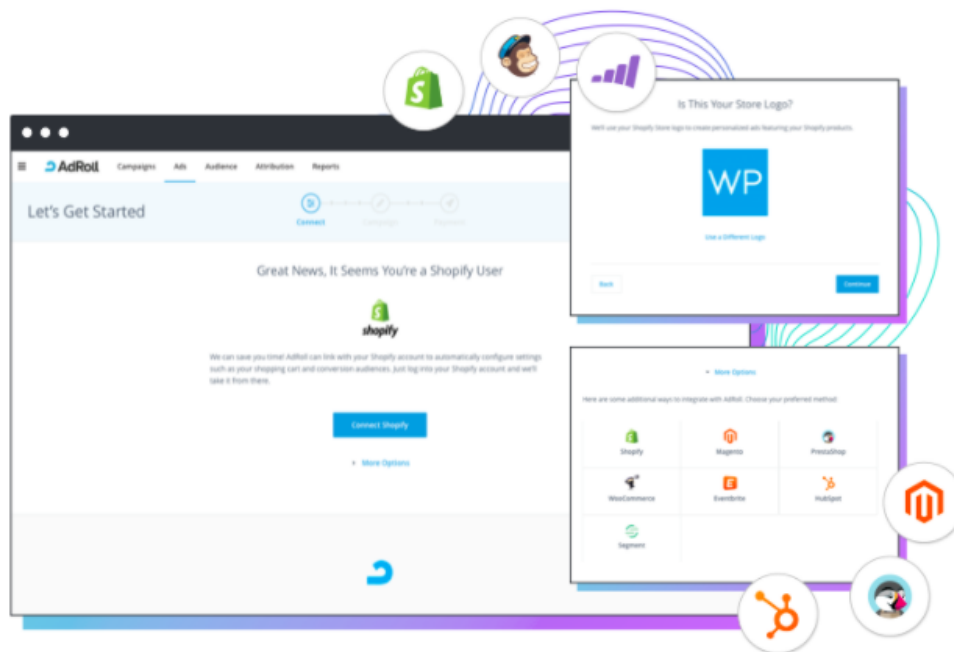

3. Measure the impact

Adjust and learn from every aspect of your campaigns to make smarter marketing decisions and grow revenue faster. Rich insights help you better understand what works for you.

A peek under the hood

1. Connect to AdRoll

Connect your online store, like Shopify and Magento, and marketing tools, like MailChimp and Marketo, to instantly create ads and target audiences. With all your customer data in one place, AdRoll enriches and completes your view with our unique pool of over 1.2 billion digital profiles.
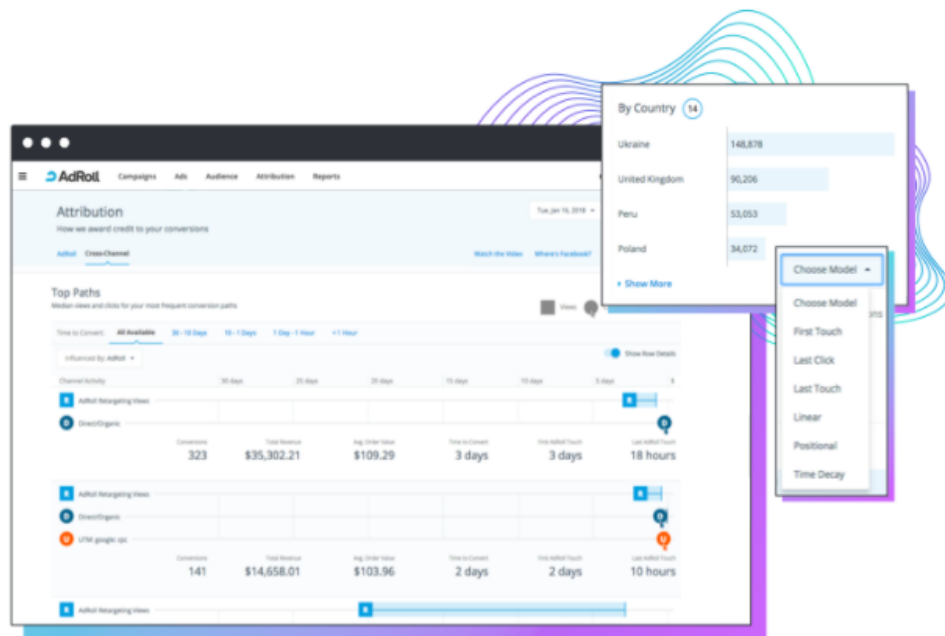

2. Execute your marketing

Stay far ahead of the competition with smarter marketing investments—powered by technology that processes 34 million+ signals into 2.5 million marketing predictions every second. The technology also blends the power of Google, Facebook, 1,000+ marketplaces, 500+ exchanges, and email to get people shopping.

3. Measure the impact

The answers to your most common questions are just one click away. With our easy-to-use dashboards and shareable reports, you can see what's working and use multi-channel attribution to see how different digital marketing touchpoints work together to get people shopping.

"AdRoll has helped us attract new customers who weren't aware of our brand or our hotels, while improving our conversion rate and lowering our costs per booking."

—Casey Ueberroth
CMO for Preferred Hotels & Resorts

Preferred
HOTELS & RESORTS

AdRoll has generated over $7 billion in revenue for customers.

The AdRoll Growth Platform

So, you want to grow your business online?

We can help with that. Our growth platform will make your ads and marketing work better, faster, and smarter.
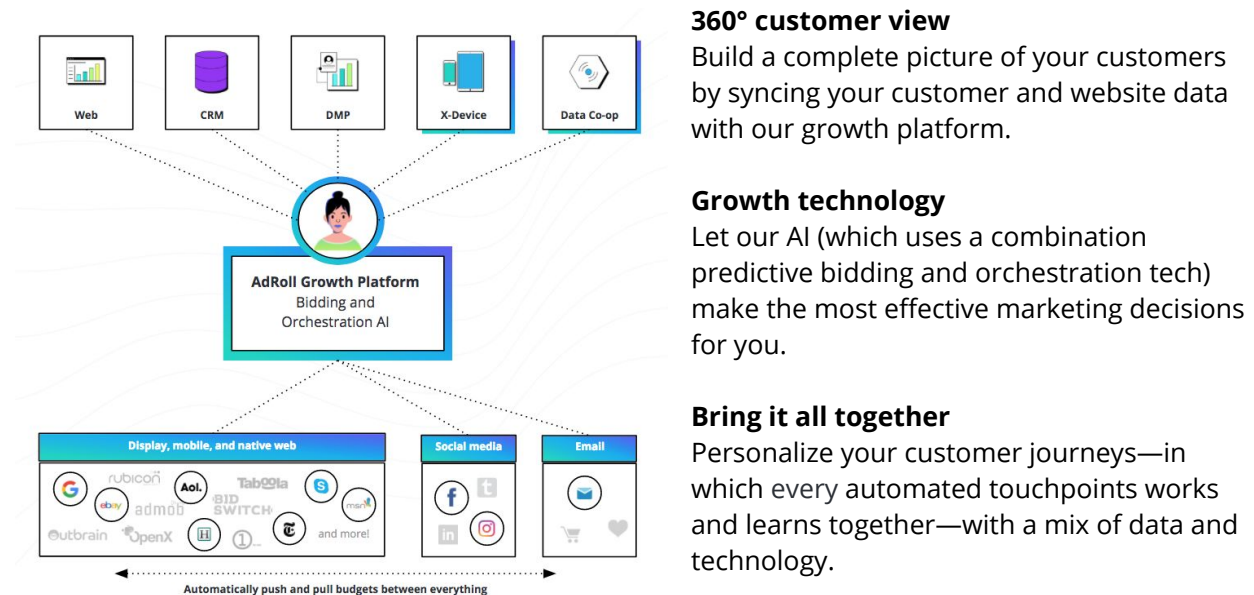

(**GET STARTED**)

How does AdRoll work?

Growth platforms collect customer information from everywhere your customers interact. They then unify everything we know into customer profiles.

With this rich data, we know what strategies work best for customers, and when you decide to market or advertise to them, we orchestrate it all to get them to drive toward a result.

A deeper look

360° customer view
Build a complete picture of your customers by syncing your customer and website data with our growth platform.

Growth technology
Let our AI (which uses a combination predictive bidding and orchestration tech) make the most effective marketing decisions for you.

Bring it all together
Personalize your customer journeys—in which every automated touchpoints works and learns together—with a mix of data and technology.

Customer quote

"They've helped us attract new customers who weren't aware of our brand or our hotels, while improving our conversion rate and lowering our costs per booking."

—Casey Ueberroth, CMO, Preferred Hotels & Resorts

Our features will fuel your growth

- Tell a consistent story with display, social, native, and dynamic ads from one dashboard
- Connect your online store (e.g., Shopify or PrestaShop) and get ads live in minutes
- Save time and money with dashboards that show you what is working and why

<h1>The AdRoll Growth Platform</h1>

<h2>Do you want to grow your business online?</h2>

We can help with that. Our growth platform will make your ads and marketing work better, faster, and smarter.

(**GET STARTED**)

<h2>How do you lay the foundation for growth?</h2>

Get a 360° view of your customers.

Build a true composite of your customers (e.g., devices used, demographics, actions taken on your site, and other sites visited with the AdRoll Pixel) by importing your contacts from your DMPs and CRMs and syncing your website's data with our growth platform.

<h2>How do you get results without overworking?</h2>

Leverage our industry-leading technology.

There are two things that happen succession. First, our bidding technology runs huge prediction

models (simulations of customer journeys) and determines the best one. From there, our orchestration AI finds the optimal combination of ads and delivery cadences to ensure that these models are executed efficiently.

<h2>How do you fuel your growth?</h2>

Put it all together in our platform.
Gain a bird's-view on how your customers behave everywhere online—such as Facebook, Instagram, and Email—and leverage that info to create structured, comprehensive marketing strategies. That way every individual touchpoints are automated and work together.

Customer quote

"They've helped us attract new customers who weren't aware of our brand or our hotels, while improving our conversion rate and lowering our costs per booking."

<h1>The AdRoll Growth Platform</h1>

<h2>Do you want to grow your business online?</h2>

We can help with that. Our growth platform will make your ads and marketing work better, faster, and smarter.

(**GET STARTED**)

<h2>How do you start?</h2>

Find people who want your products.
We'll study how your customers surf the web, and use that info to find people who act like them.

Make a great first impression.
Bad ads are a lot like bad first dates. We'll make sure your ads are seen by the right people, in the right places, and at the right time.

<h2>How do you turn audiences into loyal customers?</h2>

Become irresistible.

We'll let you know what your customers are doing on your site (e.g., abandoning their carts or visiting specific product pages) and [show them ads that resonate with them](#).

Never miss a chance to connect.
Advertising to the wrong audience is like texting the wrong person—awkward for everyone. Import contacts from other platforms to make sure in-market audiences see your ads.

<h2>How do you keep your business growing?</h2>

Be as smart as a machine.
We'll arm you with the power to test the key aspects of your ad and marketing campaigns and see the results of your changes in real time.

Read your customers' minds.
You can't forge lifelong relationships with customers you don't know. [AdRoll's IntentMap™](#) learns about your customers' online behavior to help you determine what will (and won't) work for them.

Platform Page Copy – V3.0

A smarter (and better) way to grow your business online.

We're built to help you work better, faster, and smarter. Our growth platform takes the complexity out of online marketing and ads turns it to a real revenue driver for your business.

(**LET'S GET STARTED**)

Bring new shoppers to your site.

Find the perfect audience for your products.

We'll study how your customers browse and shop online and use that insight to find people who act like your most loyal customers.

Make a great first impression.

How and when you introduce yourself can be the difference between closing or losing a sale. With AdRoll, your ads will be seen by the right people, at the right places, and at the right time.

Build your customer base.

Turn leads into loyal customers.

We'll strengthen the bond between you and your site visitors by delivering ads that respond to what they do on your website (e.g., cart abandonment or specific product page visits).

Talk to the right people.

Advertising to the wrong people is wasted effort. By importing contacts from your other platforms, such as Shopify and Salesforce, you can make sure in-market audiences see your ads.

Lay the foundation for growth.

Fine-tune your approach.

(**Version 1**) We'll armed you with the knowledge to make your ad campaigns better by measuring and recording every metric that is important to your business.

(**Version 2**) We'll armed you with the power to test very aspect of your ad campaigns and see the results of your changes in real-time.

Get to know your customers better.
You can't foster strong relationships with customers you don't know. The AdRoll ID Map learns about your customers and their journeys so you know what will (and won't) work for them.

Customer quote
"AdRoll's campaign performance of 13.4x ROI is impressive. They've helped us attract new customers who weren't aware of our brand or our hotels while improving our conversion rate and lowering our costs per booking."
- Casey Ueberroth, CMO for Preferred Hotels & Resorts

All features lead to growth

- Control your brand story with display, social, native, and carousel ads all in the same place
- Connect your online store, like Shopify and PrestaShop, and get ads live in minutes
- Save time and money with dashboards that show you what is working and why

Dare to grow with AdRoll (**Request Demo**)

Platform Page Copy – V1.0

A real plan for growing your business online.

Doing the job of 10 people can get in the way of planning and achieving growth. But what if you had a partner working with you that has helped customers make over $7 billion in revenue?

We take care of all the complicated stuff so you can focus on turning your dreams into reality. (**GET STARTED**)

Bring new shoppers to your site.

How do you find new audiences?
Prospecting | noun | pros·pect·ing | A marketing strategy that aims to to attract net-new visitors, that behave like your current clients, to your website.

First impressions are everything.
How you introduce yourself can be the difference between being relevant and or an afterthought. With AdRoll, your ads will be seen by the right people, at the right places, at the right time.

Build your customers base.

How do you turn leads into customers?
Retargeting | noun | re·tar·get·ing | A digital advertising strategy in which current website visitors and customers are delivered targeted ads based on their interactions with a company.

Pay attention to the right people.
Spamming people with ads isn't just inefficient but expensive. Import your contact from other platforms, such as Shopify and Salesforce, so that the people that should be seeing your ads are.

Lay the foundation for growth.

How do you increase the value of your customers?
Cross-selling | noun | cross·sell·ing | A sales strategy in which current customers are presented with opportunities to purchase upgraded, related, or complimentary offerings.

Get to know your customers better.
You can't foster strong relationships without clear communication. AdRoll ID Map is constantly learning about your customers so you know what new offerings and content to put in front of them.

Attract new prospects to your website
Convert site visitors into customers
Grow existing customer value

The AdRoll product suite

AdRoll Retargeting
Bring people back to your website by serving personalized ads across devices, the web, and social media. Our proprietary BidIQ™ algorithm makes sure you don't miss out on customers or overpay for ad space. Our display ad click-through rates (CTR) outperformed the industry standard by 2x in Q3 2016, on average.
CTA: Learn More

AdRoll Prospecting
Attract new audiences to your website via the IntentMap™, the largest advertiser data co-op in the world. By targeting audiences online that are similar to your existing customers, AdRoll Prospecting can automate and help achieve new customer acquisition. On average, web visitors resulting from AdRoll Prospecting were 30% more engaged than organic traffic.*
CTA: Learn More

AdRoll Email
Win over shoppers and extend your AdRoll Retargeting campaigns to the inbox. AdRoll Email delivers personalized email that's triggered by browsing behavior on your site. Early adopters have seen a 50–60% email open rate and 10–20% click-through rate.*

CTA: Learn More

AdRoll Onsite
Grow your email list and increase conversions. With personalized pop-ups, collect info from quality site visitors and nudge them down the funnel. AdRoll Onsite can step up your retargeting reach and drive return on investment—no coding or integration work necessary.
CTA: Learn More

Performance-boosting features

Dynamic Creative
Take ad personalization to the next level and drive better performance across the web and Facebook by showcasing products that are tailored to each individual's browsing behavior. On average, our web dynamic ads have seen 2x higher click-through rates and 40-50% lower click-cost-per-acquisition than rates for static ads.*
CTA: Learn More

CRM Data Onboarding
Think outside the inbox and don't rely on emails alone to connect with high-intent customers. Use your CRM lists to retarget customers with ads across the web to amplify the effectiveness of your email campaigns. "[With AdRoll's CRM integration], we're able to get our campaigns running quickly and focus our attention on campaign strategy...," states Emi Winslow, online marketing manager at Pantheon.
CTA: Learn More

Integrations
Reach more people and improve your return on investment (ROI) by getting more out of the platforms you already use. Our most popular integrations include MailChimp, Marketo, and HubSpot.
CTA: Learn More

Developer APIs
Take control with AdRoll Developer APIs. Automate tasks and manage reporting to fit your workflow. With AdRoll API services, you can enhance the power, flexibility, and scalability of your existing offerings and add time-saving performance solutions to your stack. Make your data actionable, maximize efficiency, and grow your business.
